

RFP # 1406-04-08-RP-20652
Military OneSource Program
Set of Questions # 6 as a result of Amendment # 0003

Question 1: Will the current Military OneSource Web Site structure and coding be made available to the winning contractor?

Answer: Attachment F provides the specifications for the website interface development.

Question 2: Will the case management system for Military OneSource be expected to include data in the off-the-shelf tracking system requirement for the Wounded Warrior Resource Center?

Answer: No. Government will provide the case tracking system for the Wounded Warrior Resource Center. Details are provided in the specification sheet included as Section J Attachment 6.

Question 3: Is there a work description for the Director of the Joint Family Support Assistance?

Answer: Reference Section J Attachment 13.
