

MRW Capability Statement

Summary

Management Recruiters of Woodbridge is a provider of time and materials and project consulting services.

Our broad range of time and materials consulting services include supplying QA Analysts, Program Managers, Project Managers, Programmers, Architects and Software Engineers with excellent backgrounds in SAP, Oracle, Siebel, Peoplesoft, Sybase, Visual Basic, Java, C/C++, Mainframe, Supply Chain, and EAI.

We differentiate ourselves from others by offering our clients a solid partnership. Our staff, who are tenured experts in their field of specialization love what we do. Everyday, we strive to bring an unparalleled value to our clients and our candidates. All members of the staff are dedicated to our goal of providing the highest level of service quality. We feel deeply that a thorough knowledge of the market and our keen insight in the industries creates value to our clients.

Company Vision

To deliver intelligent and effective solutions that bring unparalleled value to our clients.

To partner with companies with similar values and a firm commitment to deliver high quality solutions to our clients.

History

MRW was started in 1999 as a permanent recruitment services firm. Today, we have grown to provide a range of services that include time and materials consulting, and permanent and contractual staffing. MRW's rapid growth has kept us in a constant state of change and we expect this trend to continue in the foreseeable future.

Location & Reach

MRW is located in Woodbridge, NJ and provides services nationally.
